LANE4 Property Group is pleased to announce that real estate expert Pat Peery has joined its team as Senior Retail Specialist. Throughout his career, Peery has driven the success of retail giants such as Kohl's Department Stores and Wal-Mart, Inc. As Senior Vice President of Real Estate for Kohl's, Pat grew the retailer from 89 stores to nearly 770 nationwide. He has been involved in more than 1500 shopping center developments within virtually every sub-market in the United States.

From 1987 through 1994, Pat served in the Real Estate Department at Wal-Mart Stores, Inc where he was successively Real Estate Manager, Director of Real Estate for the Eastern U.S. and Director of Domestic Real Estate and Engineering. Pat also served on the ICSC Board of Trustees from 2003-2009.

In addition to his success at Kohl's and Wal-Mart, Peery co-founded Bryanston Real Estate Opportunities Fund in 2004. Through its management entity, Klaff Realty, he personally directed acquisitions, underwriting and subsequent disposition of more than 600 grocery and drug stores, 300 department stores, and 100 mid-sized appliance stores throughout the country.

LANE4 President, Owen Buckley said, "We're thrilled to have Pat on our team; his experience, reputation, and creative strategies will help us serve our clients, customers, and partners more effectively." Peery has received national attention for the unique marketing strategy he developed while at Kohl's. While at LANE4, Pat will focus on tenant representation and will continue to serve as a Principal and Advisor to Bryanston Real Estate Opportunities Fund and Klaff Realty.

LANE4 Property Group is one of the fastest growing commercial real estate companies in the Midwest, specializing in project leasing, tenant representation, development, investment sales, property management, incentive services, receivership, research, and marketing services. Our success is based on an unwavering commitment to streamlining processes and optimizing our client's objectives by providing in-depth knowledge and experience, attention to detail, creativity, and passion in every project we tackle. Today we have a multitude of mixed-use, office, retail, and hospitality projects and continue to rapidly expand throughout the United States.
