## LANE4's Hunter Harris Selected for Leadership Kansas

KANSAS CITY, Mo. (March 22, 2016) **LANE4 Property Group** is pleased to announce LANE4 Partner Hunter Harris's acceptance to the 2016 class of Leadership Kansas. Leadership Kansas is a nationally recognized program, affiliated with the Kansas Chamber, that aims to develop and motivate current Kansas leaders and counts among its 1,400 alumni, some of the most distinguished leaders across the state.

A lifelong resident of Kansas, Hunter has spearheaded several major projects which have spurred economic growth and development in the state. Throughout his career, Hunter has focused on developing projects that elevate the areas in which they are located and encourage lasting advancement like the 39Rainbow mixed-use and La Plaza Argentine. Both KCK projects were aimed not only at providing local residents much needed services and amenities, but also jump starting additional projects to transform the once struggling neighborhoods into thriving commercial areas.

Hunter has also been involved in several organizations aimed at making Kansas a better place to live, work, and visit. He sits as a board member on the Cancer Funding Partners for the University of Kansas Cancer Center and as past President for The Friendship Inn, a non-profit organization providing a "home away from home" for families of hospital patients.

Each year, Leadership Kansas selects a class of 40 outstanding individuals from hundreds of nominees who demonstrate social responsibility, the potential for continuing to play a leadership role in the state of Kansas, and personal and professional growth to participate in the program. The mission of the program is to identify leaders across the state, inform those leaders of key local issues, and inspire them to maintain involvement in the social, business and political fabric of Kansas' communities.

Graduates of the prestigious program include former US House Representatives, Senators and state governors, highly successful business owners and CEOs, and education leaders including university presidents and members of the Kansas Board of Regents.
